Fraser Salmon Roadmap Process

March 9, 2011

Dear Fraser Watershed and Marine Approach Area First Nations Chiefs and Councils:

The Fraser Salmon Roadmap Planning Group encourages you to send a member of your Council, or a designated member of your community, to attend the upcoming Fraser Salmon Roadmap Workshop in Prince George, BC. This workshop will be held at the Prince George Native Friendship Centre (1600 3rd Avenue) on March 21st and 22nd.

The purpose of this workshop is for First Nations and DFO to continue moving forward on progress made to date in building a collaborative management arrangement for the management and protection of Fraser salmon stocks. The meeting agenda includes a review of the Roadmap's goals, outcomes, relationships to other processes, and progress to date, as well as a further discussion on potential options for Tier 1 structures and communication plans. A draft agenda will be sent out early next week.

The Fraser Salmon Roadmap Planning Group (FSRPG) has acquired resources to contract Delaney and Associates to help advance the Roadmap process. Richard Delaney, Donald Golob and Bergen Amren will be in attendance to help facilitate the process. They are working with the FSRPG and Marcel Shepert, as well as participants at Roadmap workshops, to achieve agreed upon objectives in a structured and timely manner.

Attendees are responsible for booking their own travel arrangements and accommodations. The following is a list of conveniently located hotels in Prince George:

- Best Western City Centre, 910 Victoria Street - (250) 563-1267
