Dear Mr. Malloway:

Thank you for your March 16 and 18, 2015 correspondence, regarding communication from the First Nation attendees at the Forum on Conservation and Harvest Planning for January 27-29, and March 10-12, 2015.

DFO appreciates your input to inform the development of the 2015/2016 Salmon Integrated Fisheries Management Plan (IFMP) for Southern BC. Further to the letter from the RDG on April 8th, please find attached a detailed response to the issues outlined in the correspondence. DFO staff are willing to discuss this further at the upcoming Forum meeting on April 13th.

Thank you for taking the time to provide input into this process.

Yours sincerely,

Jeff Grout
