Visions Conference 2009

**Moving together toward Collaborative Management:
An evolutionary process**

June 24 & 25/09

Kamloops, BC

It's almost time for the 2009 Visions Conference! This year's theme is "Moving together toward collaborative management: an evolutionary process". Our host this year is the Secwepemc Fisheries Commission. The event will be held at Thompson Rivers University in Kamloops.

The poster, registration form and draft program can all be found on the FRAFS website. Just click the link on our main page.

Completed registration forms can be faxed to Neil Todd at the Nicola Tribal Association (Fax: 250-378-9119).

Please indicate on the registration form whether you will be attending the banquet on the evening of June 24. Following the banquet we will be entertained by "Coyote Creation Stories", a solo play act by Kenthen Thomas. We ask that people bring a wrapped gift (less than \$10) for Indian Bingo, which will be right after the play. If your office has mugs, t-shirts, fish stuff, etc. those would make great gifts!

All fisheries representatives are encouraged to bring displays of your department and/or fisheries projects.

If you have any questions please contact me at 604-836-1909 or aimee@nicolatribal.org.
